

John Clarke Memorial Shoot

John Clarke Memorial Shoot

15th November 2008

Dr. John Clark 15/10/1932 – 15/9/2005

Dr John.... A warm, wonderfully interesting man. A gentleman. A talented archer. Time, circumstance and World War II foiled his chance to represent England in the Olympics. John was a Grand Master Bowman - Recurve. The Black Widow his favoured bow. Model planes, fishing, wood turning. Just a few of his favourite things.

A founding member of Erina Archery Club. Past Club President. Life Member since 2002. Some of us knew John only for a short while. Some knew him for many, many years. But to all of us John was a valued friend.

The John Clarke Memorial Shoot consists of traditional English Rounds shot at distances measured in yards.
